

# ATHARV LINGAYAT

DOB: 26/08/2002

atharvofficial7@gmail.com | 9370927463 | LinkedIn: Atharv Lingayat(🌐)

## Education

- |   |                     |
|---|---------------------|
| ❖ BSC Computer Science   Bhartiya Vidya Bhavans College | CGPA: 9.18 [Apr'23] |
| ❖ XII (HSC)   Utkarsh Vidyalaya & Junior College        | 67.54   2020        |
| ❖ X (SSC)   St. Peter's High School                     | 85.40   2018        |

## Experience

- ❖ **Web Developer Intern | Trikuta Infotech, Australia**  
Worked as a Web Developer for Trikuta Infotech, an Australian Company.  
My responsibilities included creating, maintaining, and troubleshooting websites.
- ❖ **College Fest Web Development Team | Bhavans College**  
As a member of the development team for my college fest, I played a vital role in creating, enhancing, and deploying the website for the event.

## Academic Projects

- ❖ **Catering Management System – (Java, MySQL)**  
The project I developed is a digital solution that replaces traditional manual tasks with processes to streamline catering management. The system simplifies menu planning, order taking and payment processing, making catering management more efficient and accurate.
- ❖ **HealthCure – Disease Detective – (Python, Flask, HTML, CSS)**  
Developed in Python this web-app is designed to detect five different types of diseases based on user input. The system utilizes machine learning algorithms and data analysis techniques to identify the disease.

## Skills

### Programming

- ❖ **HTML | CSS | JavaScript | Python | Java | PHP**

### Frameworks

- ❖ **React | Node JS | Bootstrap | Flask | JSP**

### Databases

- ❖ **MongoDB | MySQL**

### Other

- ❖ **Basic knowledge about deployment.**
